Your Excellencies,

On 9th September 2020, Amnesty International and the International Service for Human Rights held an online pledging event for candidate States to the Human Rights Council for the membership term 2021-2023.

This year's event, had around 250 online attendees and an overwhelming number of questions posed to candidates, providing an opportunity for candidates to present their visions for membership and to engage with a range of stakeholders on their human rights commitments and pledges.

With the goal of furthering dialogue, as well as improving adherence to Council membership standards and accountability, as articulated in UN General Assembly resolution 60/251, please find below the questions addressed specifically to Pakistan as well as questions for all candidate States. The questions, as well as your responses, will be shared on ISHR's website. We request that you please send your responses to Maithili Pai at m.pai@ishr.ch by 9th October 2020.

10. *Permanent Mission of Australia to the United Nations:* “In 2018, Australia led the development of an HRC Incoming Members Pledge. The pledge reaffirms the commitment of HRC members to the obligation in resolution 60/251 to “uphold the highest standards in the promotion and protection of

human rights” and “fully cooperate with the Council”. Among other things, the Incoming Members Pledge confirms the need to:

- Cooperate in good faith with the Council, its mechanisms and the OHCHR;
- Address human rights concerns on their merits;
- Engage in a spirit of self-reflection, in good faith and in a transparent manner;
- Work in cooperation with civil society, including ensuring a safe and enabling environment for civil society, free from reprisals and intimidation.

Since 2018, nearly two-thirds of incoming members have endorsed the pledge. Would you be willing to endorse the Incoming Members Pledge if elected?”

11. *Human Rights House Foundation*: “Is it appropriate that HRC members repeatedly abstain on country-focused situations addressed by the Council as a position of principle?”

22. *Permanent Mission of the Republic of Poland to the United Nations*: “The latest rise of violence against religious communities and people belonging to religious minorities remind us in a tragic way that the freedom of religion as a fundamental human right is in danger and that hatred towards religious groups may lead to mass persecution including killings of people solely on the grounds of their religion or belief. What specific measures or initiatives regarding freedom of religious belief does the State plan to pursue during its mandate as an HRC member?”
