Wednesday 16 November

How many more killings & threats? Solutions to protect human rights defenders working on extractives in Latin America

10:00-11:20 - Room XX

State and business representatives, activists and NGOs discuss proposals on how to protect human rights defenders in one of the world's most dangerous environments in which to demand corporate respect for human rights. #HowManyMore

How companies can advocate for the protection of human rights defenders and broader fundamental freedoms

11:40-13:00 - Room XXI (Building E)

A look at what companies can do in practical terms to advocate for the protection of human rights defenders in countries that suffer from weak rule of law and a growing clampdown on critical voices and marginalized communities.

National Action Plans: Perspectives from the 'Global South'

15:00-16:20 - Room XXVII

Discussion about progress, challenges, and the lessons learned from the process of developing National Action Plans in States in the Global South.
